

GBK release new Self Adhesive Cord Clips

GBK presents new Cable Management products:

Produced from extruded PVC with double sided adhesive in three different width options. The inner grip face of the part has retention ribs which increase hold capabilities. Ideally suited for ribbon cabling, but also able to hold traditional cable too, ensuring users have highest level of functionality from these components.

These parts are equivalent to Elematic part numbers: AFC20 | AFC25 | AFC30

GBK Part Numbers are: 48049 | 48050 | 48051

Suitable for use in all market sectors

Talk to GBK about your fastening, fixing and component needs and discover why GBK ship product globally and solve problems daily.

Date: June 2014
