

Panel Access Latches

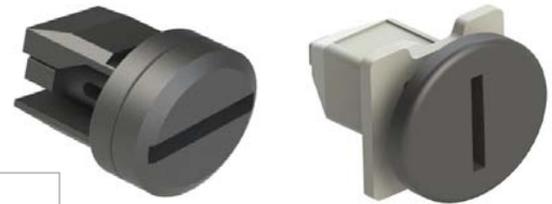

**Cabinet , door & panel access solutions:**

Available with several product solutions, GBK Panel Access Latches offer customers technical solution options for their access requirements.

Push to Close - Push to Open

Quarter Turn

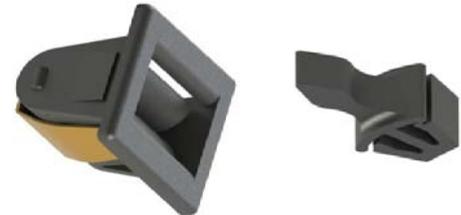

Magnetic

Snap Latch

Latch & Strike

Each of these technologies are significantly different to each, but crucially provide an effective solution to access requirements. Furthermore, within each product type there are many version options with different attributes, again this enhances the offer available from GBK.

Talk to GBK about your fastening, fixing and component needs and discover why GBK ship product globally and solve problems daily.
