

GBK UK Limited re-certified for a further 3 year period:

TÜV Nord carried out the 'tri-annual' re-assessment process at the GBK base yesterday. The company is pleased to confirm that the result was positive & we now have system approval through to 2018 subject to the normal annual audit process.

GBK will during this period, move from ISO 9001:2009 to the new ISO 9001:2015 standard.

The scope of the approval remains unchanged during this and future periods. This approval validates the business processes and underscores the companies commitment to providing class leading products and services to the customer base.

New Cable Management Products:

In our next (June 2016) newsletter we will announce some very exciting new **Cable Management** products to sit along side the current product offering. We feel confident there will be significant demand for these new items.

Limited office function:

GBK UK will have their annual holiday during the following dates - **July 25th 2016 until August 8th 2016**. Services such as; telephony, email, online orders, sample requests etc will be maintained as efficiently as possible throughout this period.

Talk to GBK about your fastening, fixing and component needs and discover why GBK ship product globally and solve problems daily.

Date: May 2016
