

GDPR (General Data Protection Regulation)

All businesses in Europe have to comply with GPDR by 25th May 2018:

General Data Protection Regulation (GDPR)

As an existing or previous customer of GBK UK Limited or an individual identified as a potential customer, you regularly receive company updates relating to our latest products and services.

You're probably aware that the EU's General Data Protection Regulation (GDPR) comes into force on the 25th of May 2018. As a result, we have been working hard to ensure that we are fully compliant with the new regulations.

We currently store and use your data to keep you informed about our company and distribute industry news that we believe will be of direct interest to you and your business. We only store data that is necessary for this purpose. This falls under [Article 6\(1\)\(f\)](#) of the regulations and ensures that your data is protected under EU regulation.

If you feel that our updates are not of interest to you then you are able to unsubscribe from this mailing list at any time using the link provided on the senders email frame.

For more information about the data that we hold, how we use it and your rights under the GDPR, please feel free to contact us directly.

Talk to GBK about your fastening, fixing and component needs and discover why GBK ship product globally and solve problems daily.

Date: May 2018
