

Christmas greetings and business hours

Merry Christmas from the staff & management of GBK UK Limited:

As we prepare for Christmas and also to say "goodbye" to 2020 it is important to remember the challenges we all faced and overcame in 2020, which has indeed been the most difficult of years for the whole world.

For our part at GBK we have tried to ensure customers have had product on time in the same high quality as usual. I believe we have succeeded in this endeavour, remaining open to fulfil customer needs whilst ensuring our staff have been safe at ALL times.

We shall carry this through to 2021 which we hope will in fact be a much better year and our thoughts next Christmas will be of how much we strived together and learnt through this period about what we can achieve when required to. **Merry Christmas & our very best wishes to all for 2021**

Christmas closure 2020/21:

GBK UK Limited will close its doors on Wednesday December 23rd at 17:00 and plan to reopen in the New Year on Monday January 11th 2021 at 09:00.

We are taking a slightly longer break than normal as we believe further restrictions will in fact be placed upon most UK locations to what is termed 'Tier 4', which will significantly limit customers needs in the early part of January. Hopefully this will settle down and we can return to a normal work very soon thereafter.

We will monitor email and all other methods of communication & if we can support customer needs during this period, we will of course do so.

Talk to GBK about your fastening, fixing and component needs and discover why GBK ship product globally and solve problems daily.

Date: December 2020
